Rationale for Proposed Boundary Changes: Francis-Stevens' attendance zone expands north to S Street to absorb some of the former Adams boundary. Francis-Stevens has excess capacity and few grade appropriate public school students living in the proposed boundary.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Francis-Stevens EC is zoned for and have a right to attend Cardozo HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Cardozo. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
